ORDER:

In the letter sixth read above, the Engineer-in-Chief and Chief Engineer (General), Water Resources Department, Chennai has furnished the following details:-

(I) There are 90 reservoirs, 14306 tanks under the control of Water Resources Department facilitating irrigation for Twenty-One Lakh hectare of ayacut in the State. Fishery activities are also being performed in the Water Bodies of Water Resources Department. Apart from facilitating irrigation, fishery is also a predominant activity in these water bodies through which revenue to the Government is also generated.

(II) In the para 344(1) of Tamil Nadu Public Works Department code, specifies with regard to rights of fishery activities in inland waters specially under the control of Water Resources Department (then Public Works Department) as under,

344. (1) Except in cases where the sale of fishery rights in inland waters specially entrusted to the Public Works Department, the fisheries in all Public inland waters shall be disposed of by the Revenue Department under B. S. O. No. 211. It is the duty of the Public Works Department Divisional Officers to see that the sales of miscellaneous properties such as usufruct of trees, grass, etc., are made periodically to the best advantage of the Government. The sales should be made by public auction after due publicity has been given.

(III) Meanwhile, permission has been given by Water Resources Department to Fisheries Department – Tamil Nadu Fisheries Development Corporation Limited to carry out fishery lease activities in 62 (54+8) reservoirs and 636 tanks (as given in G.O.(Ms).No.05, Animal Husbandry, Dairying, Fisheries and Fishermen Welfare (FS.6-1) Department, dated 30.01.2025), pertaining to Water Resources Department is still in force - refer annexure III, IV and V. Hence, the fishery activities in water bodies for which the permission was given by Water Resources Department to other departments shall only be governed by RSO 211 as mentioned in the paragraph 344 (1) of Tamil Nadu Public Works Department Code.

(IV) Further, the Tamil Nadu Farmers' Management of Irrigation Systems Act, 2000 was enacted by the Government with the objective of economic utilization of water to optimize agriculture production by involving the farmers and inculcating the sense of ownership of irrigation system in them in accordance with the Water budget and operational plan. The Act also specifies that, such farmers organizations have to be given an effective role in the management and maintenance of the irrigation system for effective and reliable supply and distribution of water. The Section 27 of Tamil Nadu Farmers' Management of Irrigation Systems Act, 2000, stipulates the following: -

27. There shall be a Fund for every farmers' organisation, which shall comprise of the following sources, namely:-

(1) grants received from the Government as a share of the water charges collected in the area of operation of the farmers' organisation, at such rates as may be prescribed.

(2) such other funds as may be granted by the State and Central Government for the development of the area of operation;

(3) resources raised from any financing agency for undertaking any economic development activities in its area of operation;

(4) such income from the properties and assets attached to the irrigation system within its area of operation, as may be granted by the Government;

(5) fees collected under section 25,

(6) amounts received from any other source;

(V) In compliance of the above provision, during the year 2007, a proposal was initiated by the Chief Engineer, Operation and Maintenance wing of Water Resources Department for distribution of fishery lease amount generated from the water bodies under the control of Water Resources Department to the farmers' organization. Based on which the Government had issued orders in first read above in which the government have ordered the following: -

- i. தமிழ்நாடு அரசு மீன்வளத்துறையின் மூலம் தற்பொழுது மீன்பாசி ஏலம் விடப்படும் ஏரிகளில் அதே நடைமுறையைப் பின்பற்றலாம்.
- ii. வருவாய்த்துறையின் மூலம் குளங்களில் தற்பொழுது மீன்பாசி ஏலம் விடப்படுவதை அந்தந்த ஏரிகளில் தொடர்ந்து கடைப்பிடிக்கலாம்.
- iii. பொதுப்பணித் துறையின் கட்டுப்பாட்டிலுள்ள அணைகள், கண்மாய்கள், ஏரிகள் மற்றும் இதர நீர் நிலைகளின் கரையை பலப்படுத்தவும், ஆழப்படுத்தவும், கலுங்கு, மதகு மற்றும் பாசன அமைப்பு கட்டுமான அமைப்புகளின் பராமரிப்பு பணிகளுக்காக நிதி ஆதாரம் தேவைப்படுவதால், மீன்வளத்துறை மற்றும் வருவாய்த்துறையினரால் விடப்படும் மீன்பாசி ஏலத்தொகையிலிருந்து 50% (ஐம்பது விழுக்காடு)-ஐ பொதுப்பணித்துறை / நீர்வள ஆதாரத்துறைக்கு அத்துறைகள் வழங்க வேண்டும்.
- iv. பொதுப்பணித்துறை, நீர்வள ஆதார அமைப்பின் கட்டுப்பாட்டிலுள்ள ஏரிகளில் அரசு உத்தரவு இல்லாமல் மீன்பாசி ஏல உரிமைகளை பயன்படுத்தி வரும் அமைப்புகள் மற்றும் தனிநபர் மீன்பாசி ஏலத்தை நடத்துவதற்கு தடைவிதிக்கப்படுகிறது. தமிழ்நாடு விவசாயிகள் நீர்ப்பாசன அமைப்பு முறை மேலாண்மைச் சட்டம் 2000-ன் படி சட்டரீதியாக விவசாயிகள் அமைப்புக்கு பராமரிப்பு பணிக்காக, மீன்பாசி குத்தகைத் தொகையில் ஒரு பகுதியை அளிக்கும் பொருட்டு இந்த ஏரிகளில் மீன்பாசி ஏலம் விடும் அதிகாரம் பொதுப்பணித்துறைக்கே வழங்கப்படுகிறது.
- v. இத்தகைய வருமானத்திலிருந்து 50 (ஐம்பது) விழுக்காட்டினை விவசாயிகள் அமைப்புகளுக்கு வழங்கலாம்.
- vi. இவ்வாறு மீன்பாசி குத்தகை வருமானத்தில் 50% விழுக்காடு தொகையினை விவசாயிகள் அமைப்பின் மூன்று நிலையிலான (சங்கங்களுக்கு) அடுக்குகளுக்கு கீழ்க்காணும் விகிதத்தில் பகிர்ந்து அளிக்கலாம்.
 - அ. நீரினை பயன்படுத்துவோர் சங்கம் (முதல்நிலை) - 60%
 - ஆ. பகிர்மான குழு (இரண்டாம் நிலை)-20%
 - இ. திட்டக்குழு (மூன்றாம் நிலை)-20%

It is evident from the above that:-

(a) The sale should be made by public auction after due publicity to the best advantage of the Government.

(b) Water Resources Department is legally empowered to auction for leasing fishery in the water bodies which are permitted for fishery rights to Water Resources Department and also to provide a portion of the revenue generated from fish harvest to the farmers for maintenance of irrigation infrastructure.

(c) RSO-211 is not applicable to Water Resources Department for fishery rights in water bodies of Water Resources Department is permitted to lease it out

(VI) Later on, taking into account of various court directions, issues raised by the public in leasing of fishery rights in the water bodies, several Government orders issued in this regard from time to time and to set right the prevailing anomalies, a guidelines for fishery rights in the water bodies has been issued in the Government order in third read above for Animal Husbandry, Dairying, Fisheries and Fishermen Welfare Department, Water Resources Department and Rural Development & Panchayat Raj Department.

(VII) In the above Guidelines "Leasing of fishery rights of water bodies of Water Resources Department other than those for which permission is given to Animal Husbandry, Dairying, Fisheries and Fishermen Welfare Department for fish culture, open tender cum auction method (e-tender cum e auction) was ordered for leasing of fishery rights which would generate more revenue for the maintenance of irrigation infrastructure pertains to Water Resources Department to comply with Tamil Nadu Farmers' Management of Irrigation System Act.

(VIII) Aggrieved by this, Writ petitions were filed by various Inland Fisheries Co-operative Societies/ Members from various Districts in W.P. No. 23495 of 2024 and others' in the Hon'ble High Court of Madras praying for preferential leasing of fishery rights in the water bodies for which Water Resources Department is responsible for.

(IX) After various directions / orders, the Hon'ble High Court of Madras has passed orders in Cont.P.No.3078 of 2024 and others', dated: 06.12.2024 by stating that,

"When these matters were taken up for hearing, the learned Additional Government Pleader appearing for the respondents submitted that the Principal Secretary to Government, Animal Husbandry, Dairying, Fisheries and Fishermen Welfare Department, Secretariat, Chennai has sent a letter to the Law Officer on 05.12.2024 vide Letter No. 4052/FS6-1/2024-5 stating that the Government have decided to withdraw the orders issued in G.O.(Ms). No.52, Animal Husbandry, Dairying, Fisheries and Fishermen Welfare (Fs6) Department, dated: 08.07.2024 and the file is in circulation

(X) In compliance of the orders passed by the Hon'ble High Court of Madras, the Government order third read above was withdrawn and fresh Government order fifth read above was issued by Animal Husbandry, Dairying, Fisheries and Fishermen Welfare (FS.VI) Department and this order is exclusively for the water bodies in which Animal Husbandry, Dairying, Fisheries and Fishermen Welfare (FS.VI) Department is exercising the lease of fishery.

(XI) By considering the above facts, a separate draft Guidelines is formulated for fishery rights in water bodies for which Water Resources Department is empowered with.

2. Based on the above, the Engineer-in-Chief and Chief Engineer (General), Water Resources Department, Chennai has sent a proposal for separate Guidelines/Procedures for leasing of fishery rights to carry out fishery activities in the water bodies (Tanks and Reservoirs) under the control of Water Resources Department and requested to issue a separate Guidelines/Procedures for the above said purpose.

3. The Government after careful examination, have decided to accept the proposal of the Engineer-in-Chief and Chief Engineer (General), Water Resources Department, Chennai and based on the orders of the Hon'ble High Court of Madras fourth read above, hereby orders to issue a separate Guidelines/Procedures annexed (Annexure-I and II) to this order for leasing of Fishery rights by Water Resources Department to carry out fishery activities in the water bodies (Tanks and Reservoirs) under the control of Water Resources Department other than those for which permission is given to Animal Husbandry, Dairying, Fisheries and Fishermen welfare Department for fish culture vide Annexures III, IV and V. These Guidelines/ Procedures will prevail over the various leasing of fishery rights/ procedures issued earlier by this department.

Annexure I

(G.O. (Ms) No.14, WR (W2) Department, Dated:13.02.2026)

Guidelines for lease of fishery rights in Water bodies of Water Resources Department (Tanks and Reservoirs) by Water Resources Department

At present there are 90 Reservoirs and 14306 numbers of Irrigation Tanks are under the control of Water Resources Department (herein after WRD) and maintained by WRD for irrigation purpose.

In G.O.(Ms).No.05, Animal Husbandry, Dairying, Fisheries and Fishermen Welfare (FS.6-1) Department, dated:30.01.2025, the Government have issued guidelines for fishery rights of Fisheries and Fishermen Welfare Department in certain water bodies of WRD. In respect of Reservoirs and tanks of WRD other than those for which permission is given to Fisheries and Fishermen welfare Department for fish culture, open tender cum auction method (e-Tender cum e-Auction) may be followed for leasing of fishery rights by WRD.

1. Various categories of Inland water bodies in the State:

1. Dams and Reservoirs

For the purpose of fishery management, depending on the size of the total water Spread Area, the Reservoirs have been classified into three categories viz.,

1. Small Reservoir-upto 1000 ha
2. Medium Reservoir-1000-5000 ha
3. Large Reservoir above 5000 ha

2. Irrigation Tanks

For the purpose of fishery management, depending on the water retention period, Irrigation tanks have been classified into two categories

1. Long seasonal Irrigation tanks - tanks having water retention period more than six months
2. Short seasonal irrigation tanks- tanks having water retention period less than six months.

2. Selection of Water bodies for fishery rights:

The Water bodies shall be selected for fishery rights as per the field verification by the officials concerned of WRD. The Water bodies shall be identified based on the feasibility to conduct auction in terms of water retention capacity, status of water bodies for fish culture and duration of water storage in a year. The list of water bodies identified shall be communicated by the Assistant Engineer/Junior Engineer concerned to the Assistant Executive Engineer concerned of WRD.

The list of identified Water bodies shall be prepared by the Assistant Executive Engineer of WRD with the help of technical wing of the District

Officials of the Fisheries and Fishermen welfare Department. The list of Water bodies so identified shall be enlisted in the Government Website (<https://wrd.tn.gov.in/>).

3. Role of Fisheries and Fishermen welfare Department

Fisheries and Fishermen welfare Department shall support WRD, in fixing the upset price and stocking density for water bodies identified for fishery activities. The Assistant Executive Engineer concerned of WRD shall prepare the consolidated list of water bodies and send to the Fisheries and Fishermen welfare Department requesting upset price.

Based on the request of Assistant Executive Engineer, WRD, the Fisheries and Fishermen welfare Department officials of the District concerned shall recommend the upset price for 'e-Tender cum e-Auction' for leasing of fishery rights of water bodies of WRD tanks.

4. Authority to float e-Tender cum e- Auction:

Based on the upset price recommended by the Fisheries and Fishermen welfare Department, the authority concerned of the WRD (Assistant Executive Engineer in respect of tanks and Executive Engineer in respect of Reservoirs) shall float e-Tender cum e-Auction as per the prevailing norms of the WRD.

5. Procedure for Auction for Leasing of fishery rights:

i. Open e-Tender cum e-Auction

The leasing of fishery rights in the Water bodies under the control of WRD shall be carried out through 'e-Tender cum e-Auction' method governed under the Tamil Nadu Transparency in Tenders Act 1998 and the Tamil Nadu Transparency in Tenders Rules 2000.
